

## **NOTIFICATION OF OHSA AND/OR CONSUMER PRODUCT SAFETY POLICY**

*Policy# 12-0822-2 Notification of OHSA and/or Consumer Product Safety Policy Total Pages=1*

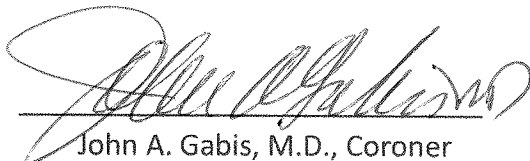

**Purpose:** To establish guidelines for when OSHA and or the Consumer Product Safety will be contacted.

**Justification:** Our office will assure that any and all unsafe working conditions or any unsafe or potentially unsafe products that are discovered in the investigation of a death will be reported to the appropriate agency.

**Policy:**

1. OSHA refers to the Occupational Health and Safety Agency.
2. In all workplace death investigations, the investigator will contact OSHA to report or assure that the workplace has made the required notification of the workplace death.
3. The investigator will share information, both verbally, written and or photography with the OSHA investigator as necessary.
4. If during a death investigation, the investigator suspects a consumer product caused or contributed to the death, this product will be reported to Consumer Product Safety to allow this to investigate the product.

*This policy has been approved and is effect until further notice:*
